

UniKey Quick Start

1. Installation

- a) As the UniKey SDK is green software, you do not have to install anything on your OS.
- b) For details please read *ReadMe.Txt* in the root folder of the SDK.
- c) Insert the UniKey dongle into a USB port, if the light is on, it indicates the dongle is working well.
- d) Copy the Utility or sample onto the hard disk, and load it from the hard disk.
- e) All the tools are under the *Utilities* folder; All the documents including manual are under the *Doc* folder. You can find abundant samples in the *Samples* folder.
- f) The **DEFAULT PASSWORD** of a UniKey dongle is "1234 , 1234 , 1234, 1234"

2. Utilities

- a) *UniKey Consol* is a comprehensive tool to operate UniKey dongles, such as editing, testing, burning, formatting and remote updating of the UniKey dongles. The database function will provide an instant record of UniKey dongles which you have distributed.
- b) *UniKey Updater* is the tool which updates UniKey dongles remotely by end-users. It works with *UniKey Console*.
- c) *UniKey Enveloper* provides the fastest software protection without any additional coding work. It works with standard PE files.
- d) *UniKey Tutors* demonstrate the basic usage of UniKey APIs in different programming languages.
- e) *UniKey Assist* is the trouble-shooting tool which works at the end-user's side. It diagnoses the problem of "dongle not found".

3. FAQ

- a) What is the behavior of the light? --- If the light is on, it indicates the dongle is connected well. If the light is flashing, the dongle is working.
- b) Why can't I find the dongle? --- Please make sure your USB port is working (enabled). You can find "UniKey dongle" in the hardware list, otherwise, the dongle is not connected well.
- c) Why the system asks for a driver? --- You are working on Windows 98, please use the driver in the *Driver* folder in the SDK CD.

4. Check List

- a) A UniKey Dongle
- b) A UniKey SDK CD

5. Customer Support

If you require any assistance with the UniKey dongle, please feel free to contact your local distributor or Sales@eSecuTech.com.
